

What others are saying...

"Being a mom of four, life is crazy busy!
Going to Encounter, I was given an uninterrupted weekend to focus on my relationship with the LORD. Encounter is so impactful because of the way God's word (truth) breaks the bondage of lies we have all been exposed to or are living in as women. It is an opportunity to experience the freedom we have in Christ because of the love God has for us!"

~Megan A.

"Life changing! If you are struggling with anything, big or small, this weekend is a great opportunity to take time with God and refocus, with a community of amazing women who share their stories and what they are learning through their own struggles, in hopes of encouraging and building up the kingdom for His glory!"

~Lacey H.

"Women's Encounter has been COMPLETELY life changing for me. During my first Encounter in 2011, I was finally able to truly let God in and because of that, I have become a better wife, mom, friend, and most of all, a better me."

~Christi W.

It is for FREEDOM that CHRIST has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery.

WOMEN'S ENCOUNTER
Galatians 5:1

An Encounter is an invitation to completely surrender to God. In order to experience freedom, you must be willing to surrender every area of your life to the Lord.

"Freedom from what?" you ask. Freedom from habits, burdens, wrong thinking, bitterness, and past experiences that hold you back. Freedom to live the life God created you to live.

Can you imagine what that would be like for you?
